5) Motion to Full Council - Climate Emergency:

This council recognises that we are in a climate emergency that requires urgent action at all levels of government, including Parish Councils.

The council commits to tackling climate change and promoting climate repair across all of its activities, including procurement, utilisation of grant funding, planning, and management of buildings and open spaces. It commits to using its powers to promote sustainable and net-carbon neutral developments, to preserving and increasing biodiversity, to reducing car use, and encouraging walking, cycling and public transport. It commits to ensuring that the land it manages is maintained in a way that maximises carbon capture and biodiversity, and prevents species extinction.

The council commits to community engagement, and to supporting efforts to convene a climate emergency group, which with wide representation, including councillors, residents, young citizens and other stakeholders, will assist in helping the council reach its goals for carbon neutrality across the full range of its activities.
